Directions:

- A1 1-8 1st Man & 2nd couple, hey for 3 across set*
[start L-shoulder with 2nd Woman]
- A2 1-8 1st Woman & 2nd couple, hey for 3 across set*
[start R-shoulder with 2nd Man]
- B1 1-2 Ones, with inside hands joined, lead down the
middle WHILE Twos set in place
3-4 Ones, changing hands, fall back down the middle
WHILE Twos sidestep up to 1st place
5-6 Ones lead up the middle WHILE Twos set in place
7-8 Ones, cloverleaf turn single into 2nd place**
[All face partner]
- B2 1-8 Whole poussette counterclockwise
(1st Man forward)

*At the end of each hey for 3, while the Twos are completing the hey, M1 and W1 have the option of turning single down. (M1 at the end of his hey faces down and turns single R; W1 faces down and turns single L.) This works particularly well for the 1st Woman, who can then flow directly into leading down the set with her partner.

**Twos may also cloverleaf turn single up in 1st place.
